

Can

- you can hear me

could

- Could you pass me a bottle of water, please?

may

- There may be no traffic tomorrow in Bogotá due to the holiday.

might

- If you study hard, you might get a good grade on the exam

Will

- we won't sing pop this night

Would

- I wish I would have studied harder for the exam.

Must

- she must go to the festival

Shall

- We shall be at my home this week

Should

- I should not know it

Ought to

- You ought to call your parents and let them know you're okay after the trip."
